## BOOK SYNOPSIS

Everything around us is designed and the word design has become part of our everyday experience. But how much do we know about it? Fifty Cars That Changed the World imparts that knowledge listing the top 50 cars that have made a substantial impact in the world of British design today. From the 1908 Ford Model T to the 1998 smart car, each entry offers a short appraisal to explore what has made their iconic status to give them a special place in design history.
